RE: DN 2005-123-C
Application of Dial Tone & More, Inc. for Approval of Authority to Offer
Interexchange Telecommunications Services to the Public in the State of
South Carolina.

Please withdrawal from consideration the recently filed request for long distance alternative regulation. Dial Tone has already filed its publication in a SC newspaper and does not foresee the need to update its rates any time in the near future. If there becomes a need to revise the rates in the proposed tariff Dial Tone & More will at that time file a request for alternative regulation.

Please date stamp the extra transmittal letter enclosed for this purpose and return it in the postage paid envelope provided.

Should there be any questions or additional information required, please do not hesitate to contact me at (405) 755-8177 ext. 27.

Sincerely,

Heather Russell
